About Manonmaniam Sundaranar University

Manonmaniam Sundaranar University (MSU) is a dynamic Institution of higher learning, in Tirunelveli, the educational hub of Southern Tamil Nadu, with a campus area of 550 acres. The University was established in 1990, by the Government of Tamil Nadu, as a teaching-cum-affiliating University. The University is named after the Tamil poet literature Prof. P. Manonmaniam Sundaram Pillai (1855-1897), the author of the famous verse drama, Manonmaniam. The University caters to the needs of the four southern districts of Tamil Nadu, viz., Tirunelveli, Thoothukudi, Kanyakumari and Tenkasi. The University is re-accredited with 'A' Grade by National Assessment and Accreditation Council (NAAC). The University is located at Abishekapatti (on Tirunelveli- Tenkasi Road) at a distance of 8 kilometers from Tirunelveli Junction. There are 23 Departments and 5 Centres in the University, besides the Centre for Distance & Online Education and Directorate of Vocational Education. Through Community Colleges and Vocational Skill Development Centres(VSD), Directorate of Vocational Education is offering skill based Advanced Diploma, Diploma and Certificate programmes in various skill sectors. Manonmaniam Sundaranar University P.G. Extension Centre Nagercoil. Sri Paramakalyani Centre of Excellence in Environmental Sciences, Alwarkurichi and the Centre for Marine Science & Technology, Rajakkamangalam are the off campus Centres of the University. Manonmaniam Sundaranar University affiliates Hundred and Two Colleges, Six Manonmaniam Sundaranar University Colleges and has 28 teaching Departments including 5 Centres. 1,26,030 students are studying in the University Departments / Centres and Colleges. The University is one of the pioneer institutions which offers Choice Based Credit System (CBCS) and Online Programmes through NPTEL and SWAYAM. The UG/ PG Programmes and Research Programmes offered by the University have been carefully chosen to cater the contemporary needs of the region.

The University Departments offer Ph.D., Integrated P. G. Programmes , Diploma and Certificate Programmes in addition to regular P.G. Programmes with exemplary library services. Excellent opportunities in extracurricular activities are extended by the National Service Scheme and Youth Welfare Department and Physical Education Department, The University has a women's hostel and a men's hostel with wi-fi facility for the entire Hostel Campus. The University has sophisticated auditorium to accommodate around thousand students. An air conditioned Internet Centre is available for the students to access internet. The University has a multipurpose indoor sports Stadium and a Fitness Centre (Gymnasium). Gnanavani Educational FM & Mano Vani online radio station and Centre for Women Empowerment and Studies are functioning in the University. The University has a Vice-Chancellor, Registrar and Professor's residential quarters, Health Centre, Guest House, Post Office, Bank, ATM, Students' Amenities Centre, 24 x 7 Ambulance Service, Day Care Service and one MW Solar Power Plant within the Campus. The University has established Sir C.V. Raman Centre for Central Instrumentation with highly sophisticated scientific equipments to improve the research. The University offers Sundaranar merit scholarships for the Top Rankers of the Integrated PG Programmes and Bharat Ratna Dr. M.G.Ramachandran Centenary Fellowship to the Research Scholars. Outdoor games, Sports, Yoga and meditation classes are conducted regularly for the welfare of the students. Annual sports and cultural day competition are conducted for the staff and students through Mano day and Women's Day celebrations. Departments have Internet connectivity with Wi-Fi. The University provides affordable quality education to the underprivileged and unreached sections of the society in this region.

From The Directors Desk

Education constitutes the backbone of a Country as it produces the human force which plays the most determining role in the advancement of a Nation and also in the progress of a civilization. No Nation could establish its dominance in world history by virtue of its sheer military might or economic affluence. The march of a Nation towards glory is carried forward by the competent human resource that a strong education system prepares. Education is one that provides the thrust in getting ahead and building up a powerful democratic society. Education system in India has a long history starting from Gurukul System to the ancient urban centres of learning like Takshashila, Nalanda and Vikramshila. After the second world war, world has been seen an enormous expansion in higher education. India was not exception from this. The higher education system of India has witnessed many fold increase in its institutional capacity since independence. India is the third largest higher education system in the world. Open Educational Resources (OER) movement began in the 21st century for furthering the culture of open knowledge by free dissemination /sharing of knowledge. It is basically rooted in the philosophy of Open and Distance Learning (ODL) with the objective of expanding the access to knowledge to all types of learners pursuing non formal, formal and informal education. The using OER implies support for an open curriculum where learners have the flexibility to select units/ Programmes to suit their personal needs. It is the responsibility of the Distance Education Council (DEC) to promote quality and standards in the ODL system and encourage ODL institutions to develop and offer quality programmes. Besides this, the DEC also encourages sharing of academic resources and thereby reducing duplication of efforts and enhancing the knowledge and other skill requirement of the users at large and also ensuring their wider accessibility. The Distance Education Council can take up this initiative for developing Web Based Multimedia, Interactive e-Content repositories by pooling all the programmes developed by Distance Education Institutions (DEI's) attached to conventional Universities. The Centre for Distance and Online Education of Manonmaniam Sundaranar University is offering various programmes with the mission to (i) provide quality education for the rural and the unreached, (ii) attain excellence in teaching, research and extension activities (iii) imbibe, inculcate and promote human values so as to create a 'culture of lawfulness'. Based on the mission, the institute will fulfill the academic needs of the poor and weaker sections of the society. I appreciate and wishes the students of the programmes of the Centre for Distance and Online Education, Manonmaniam Sundaranar University, Tirunelveli.

With Best Wishes,
Director.
